

COPPULL PARISH COUNCIL MINUTES

**MEETING: ANNUAL MEETING OF COPPULL PARISH COUNCIL
WEDNESDAY 13 MAY 2026 AT 7.00 PM
COPPULL VILLAGE HALL, CHAPEL LANE**

Members of Coppull Parish Council are hereby **SUMMONED** to attend the Annual Meeting of the Parish Council
Members of the public are invited to attend and are extremely welcome

This meeting was audio recorded

IN ATTENDANCE – Councillors Michael Atherton, Phil Armstrong, Julia Berry, Neil Coggins, Janette Colecliffe, Matthew Crook, Robin Dodd, Christopher Kay, Ken McCrea, Sheila Makin, Lynne Moores, Maggie Peel-Impey, Thomas Robinson, Paul Taylor, Susan Edwards, Clerk, and members of the public

The current Chairman, Councillor Michael Atherton, had declared his intention to step down as Chairman of the Parish Council but opened the meeting to accept nominations for the position of Chairman.

1. ELECTION OF CHAIR AND TO RECEIVE DECLARATION OF OFFICE

PROPOSED: Councillor J. Berry

SECONDED: Councillor C. Kay

That Councillor Ken McCrea be elected as Chairman

PROPOSED: Councillor J. Colecliffe

SECONDED: Councillor M. Peel-Impey

That Councillor Marjorie Parkinson be elected as Chairman.

A closed vote was taken and Councillor McCrea had the majority and was duly elected as Chairman and the declaration of office was accepted and signed.

Councillor McCrea thanked Councillor Atherton for all the work he has done whilst being Chair of the Parish Council for the past 13 years and officially took over to chair the meeting.

2. ELECTION OF VICE-CHAIR

PROPOSED: Councillor J. Colecliffe

SECONDED: Councillor L. Moores

That Councillor Marjorie Parkinson be voted in again as Vice-Chair and the declaration of office to be accepted and signed on her return from holiday.

3. APOLOGIES FOR ABSENCE – Councillor Marjorie Parkinson (holiday)

RESOLVED: Absence accepted.

County Councillor Lee Hutchinson and Borough Councillor Joe McCartney also sent apologies.

4. DECLARATIONS OF INTEREST – DISCLOSURE OF PERSONAL / PREJUDICIAL INTERESTS (Members of the Parish Council are reminded of their responsibility to declare any personal or prejudicial interest in respect of matters contained in this agenda in accordance with the provision of the Local Government Act 2000) and withdraw from the meeting whilst the item is discussed.

4.1 DECLARATION OF INTEREST FORM – it is each Councillors' responsibility to ensure that this form is up to date and to declare any interests at meetings. Councillor Berry asked that everyone investigate updating their forms as necessary.

4.2 DECLARATION OF GIFTS – None.

5. DATES OF FUTURE PARISH COUNCIL MEETINGS – currently 2nd Wednesday of each month. **RESOLVED** – to remain the same date, meetings to be held in the Village Hall.

6. FORMULATION OF COUNCILLORS' AREA OF RESPONSIBILITY (emailed/distributed to Parish Councillors) – Cllr. Berry to be added and to be given the new estates at Eaves Green and down Darlington Street. The new estate at Grange Drive to be given to Councillor Moores. Any other amendments to be made and the amended list to be forwarded to Parish Councillors prior to the next meeting. Councillor Makin's area also to be given to another Councillor. Once agreed, the list will be put on the website.

7. DATES AND FORMULATION OF COMMITTEE MEETINGS AND MEMBERS (emailed/distributed to Parish Councillors) – the Chairman would like to have an appraisal of other committees and will speak to individual councillors in regard to this.

8. 8.1 AMENDMENT/APPROVAL OF THE DRAFT MINUTES OF THE LAST PARISH COUNCIL MEETING DATED 08 APRIL 2026 (emailed/distributed to Parish Councillors)

PROPOSED: Councillor J. Colecliffe

SECONDED: Councillor R. Dodd

RESOLVED: That the above minutes be approved as a correct record.

8.2 AMENDMENT/APPROVAL OF THE DRAFT MINUTES OF THE ANNUAL PARISH ASSEMBLY (RESIDENTS MEETING) DATED 22 APRIL 2026 – to be formally approved at the next meeting in 2026 (emailed/distributed to Parish Councillors)

PROPOSED: Councillor J. Colecliffe

SECONDED: Councillor P. Armstrong

RESOLVED: That the above minutes be approved as a correct record in draft form and will be formally approved at next year's Annual Parish Assembly (2027).

SUSPEND STANDING ORDERS - Standing Orders state - **Item 15 (e) – in bold : To allow members of the public to address the Council. The total time allowed for this item shall not exceed 20 minutes. Item 75** – Any or every part of the Standing Orders, **except those printed in bold type**, may be suspended by resolution in relation to any specific item of business. No decisions can be made by the Parish Council whilst Standing Orders are suspended.

9. ITEMS INTRODUCED BY MEMBERS OF THE PUBLIC – None.

10. POLICE REPORT – <https://www.police.uk/coppull>. A meeting of the PACT meeting is scheduled for 19 May 2026 at 6pm in the Village Hall.

Councillor Moores had been contacted by a resident regarding the recent tragic accident on Preston Road, when a resident lost his life, and the resident is requesting traffic calming measurements and a speed camera in that area, and she asked what the Parish Council could do to help. The accident happened during the early hours of the morning and the car concerned was excessively speeding, causing a fatality. It is the only A road in the village and something needs to be done.

Councillor Berry gave condolences to the family concerned and stated that all the main arteries/roads that come into Coppull have speeding issues. This is also a problem around school time. LCC to be asked to look into the feasibility of getting a speed camera or traffic calming measurements in this area. Chorley has apparently got the third worst casualties in the whole of the UK. Possibly get a meeting with LCC and the Police and Crime Commissioner and show them a link to a petition which is going around the village.

A member of the public's husband had also been involved in a serious accident on this road, in front of the Bowling Green as he was crossing over the road.

The Chairman stated that a report from LCC, when asking for approval to install a Spid, has stated that the average speed (all day) in both directions is 32.7mph. The speed and collision data from Coppull Moor Lane to Spendmore Lane state there have been two slight vulnerable road user and two slight collisions reported in the last five years. 85th percentile speed is 38.9mph – the percentile speed is that not exceeded by 85% of the vehicles using the route. All these figures were felt to be totally incorrect.

11. COUNTY COUNCILLOR'S REPORT – Apologies received from Councillor Hutchinson.

12. BOROUGH COUNCILLORS' REPORTS – Apologies received from Councillor McCartney, who had forwarded an introduction with his apologies (emailed to Parish Councillors and distributed to Parish Councillors and members of the public present).

Councillor Julia Berry reported on the following:

- Residents from the new developments – a welcome pack is to be arranged for the new residents, as some of the house down Eaves Green are actually in Coppull and as such will be relevant to the additional charge in the precept for living in a village. To consult with the Clerk as to what the Parish Council can include in this pack.

13. GENERAL MANAGEMENT/FINANCE

- 13.1 Approval of the Internal Audit and review of the effectiveness of the Internal Audit.

PROPOSED: Councillor N. Coggins

SECONDED: Councillor P. Armstrong

RESOLVED: That the Internal Audit report and review of the effectiveness of the internal audit be approved and that the invoice for £480 also be accepted.

- 13.2 Approval of Section 1 Annual Governance Statement 2025/26 and Section 2 Accounting Statements 2025/26 of the Annual Return (AGAR) for the External Auditors (emailed/distributed to Parish Councillors). Members of Coppull Parish Council acknowledge that it is their responsibility for ensuring that there is a sound system of internal control, including arrangements for the preparation of the Accounting Statements, and confirm to the best of their knowledge and belief that the statements for the year ended 31 March 2026 are correct.

Section 1- Annual Governance Statement 2025/26

PROPOSED: Councillor L. Moores

SECONDED: Councillor R. Dodd

Section 2 – Accounting Statements 2025/26

PROPOSED: Councillor N. Coggins

SECONDED: Councillor C. Kay

RESOLVED: That the council approve Section 1 & 2 of the Annual Return.

- 13.3 Asset Register (emailed/distributed to Parish Councillors). This information goes to the External Auditors, but it does need some work to bring it more up to date, i.e. by taking off a lot of old assets. However, the Clerk needs to contact the Auditors to check if/how this can be done.

- 13.4 Financial Risk Assessment (emailed/distributed to Parish Councillors). Standard form completed by the Clerk. Agreed and noted.

- 13.5 Confirmation of the General Power of Competence for the audit. This power came into effect in 2012 and it gives local authorities the same power to act that an individual has and provides that the power may be used in innovative ways, that is, in doing things that are unlike anything that a local authority has done before or may currently do. Schedule 1 to the 2011 Act amends section 2 of the Local Government Act 2000 (the power to promote well-being) so that it will no longer apply to English local authorities. The effect of this is that, for English local authorities, the power to promote well-being is being replaced by the broader general power of competence.

RESOLVED: The criteria for this power was confirmed, that is:

- The number of councillors elected at the last ordinary election, or at a subsequent bye-election, must equal or exceed two thirds of its total number of councillors. Elected councillors include all councillors who stood for election, whether or not the election was contested. Co-opted or appointed councillors do not count, as they were not "elected".
- There must be a qualified Clerk. From 2012 this training was undertaken as part of a clerk's preparation for one of the recognised sector-specific qualifications. If a clerk had studied for one of these qualifications before April 2012, they must undertake the relevant training and pass Section 7 in Isolation Module (part of the CiLCA qualification – Certificate in Local Council Administration), or hold one of the following:
 - Certificate of Higher Education in Local Council Administration
 - The first level of the Foundation Degree in Community Engagement
 - The Certificate of Higher Education in Local Policy and Governance (THE Level Four course)
 - Any equivalent successor qualification

As the current Clerk is retiring at the end of this financial year (March 2027), this must be considered when appointing a new Clerk. Further discussions regarding this will be held nearer the time (from September 2026).

- 13.6 Permission to send information by email to Parish Councillors. **RESOLVED:** This was agreed by all present.
- 13.7 Councillors Allowances & Chairman's Allowance (previously agreed only expenses for mileage incurred and Councillors allowed one ream of paper and one printer cartridge per year – Chair allowed more) – The Chairman to be able to access £1,000 as a community fund, for activities/donations within the Parish, with the agreement of the Parish Council. **RESOLVED:** The above was agreed.
- 13.8 Accounts – Direct debits/standing orders - Payments made and to be made (see separate sheets). **RESOLVED:** That the payments be approved and ratified.
- 13.9 Income – Precept received for £145,350 and CIL funding for £6,202.44. The precept is split into two – there is a Parish Top-up grant from the government of £10,576 for Coppull, and Chorley Council collect the remaining money from residents in the village (precept) as part of the Council Tax. If for any reason the top-up grant is stopped, it may be that the Parish Council would have to make that up.
- 13.10 NEST pensions – re-declaration confirmation. Four employees are in this scheme, the two part-time are on a voluntary basis. This is usually agreed with the annual salary increases.
- 13.11 Chorley Council Non-Domestic Rates for Village Hall and Leisure Centre. The Parish Council does not usually pay rates for community buildings, but a query has been asked in regard to the village hall users and income received. The Clerk has responded stating the income from the pre-school. A reply has not yet been received.

Regarding the Leisure Centre building, normally the rates would be

£30,100.00, plus a Transitional Supplement of £700.00. Mandatory relief of £24,640.00 is given, leaving a total of £6160.00. However, as the Centre is run by a registered charity, they can apply for a further relief for the remaining monies. The Clerk to check with the Trustees if this has been applied for and given.

- 13.12 Quote for information boards for the notice board in front of the Library £120 plus vat and a new sign for the Memorial Gardens £80 plus vat, supply only.

One information board at the Library (left side) would be a list of assets with the "What 3 Words" address. The other side would be a map showing all the areas.

The sign at the Memorial Garden was installed in 2002 when the site was refurbished. The sign to be just as it is but including "managed by Coppull Parish Council".

A notice board for the new development down Eaves Green can only be ordered when a place for it to be sited has been ascertained.

RESOLVED: To accept both quotes as stated above.

- 13.13 K. Darlington & Son – Quotes for tarmacking at the Leisure Park – in principle decision made at the last PC meeting, booked in provisionally for 18 May prior to the opening day of the first play area - £6,409.00 plus vat for the path in front of the play areas and down to the road - £19,896.00 plus vat for the whole of the park (£18,474 plus vat in March 2025).

RESOLVED: A vote was taken and it was unanimously agreed that all of the paths be tarmacked at a cost of £19,896.00 plus vat.

- 13.14 Tree Survey and invoice £660.00. Survey report, photographs and recommendations for the tree surgeon. The park at Springfield has not yet been done. **RESOLVED:** That the invoice be paid.

- 13.15 SpID – Approval of location for siting the speed indicator device (emailed separately to Parish Councillors). LCC has agreed the location and a consultation by the Parish Council has to take place with nearby residents. **RESOLVED:** To approve the site and take

- 13.16 Lancashire Association of Local Councils (including NALC) – Membership £972.65 (benefits of membership emailed to Parish Councillors). **RESOLVED:** A vote was taken and it was unanimously agreed that this was beneficial for the Parish Council and therefore membership to be renewed.

- 13.17 Utility contracts – The Clerk is inundated with calls trying to get electricity contracts. **RESOLVED:** A vote was taken and it was agreed that it would be delegated to the Clerk to get best value on the last contract that is needed to be changed.

SUSPEND STANDING ORDERS to invite Mrs Jean Tickle to give an address on the Neighbourhood plan:

- 13.18 Neighbourhood Plan update (emailed separately to Parish Councillors). Address by Mrs Jean Tickle. Good news - the Neighbourhood Plan has passed all the

legal checks by Chorley Council and can now progress to Regulation 16 consultation. That will go to Chorley Council's July meeting for their approval to undertake that and the proposed consultation period will take place from 20 July to 7 September 2026, allowing for an 8-week consultation to be carried out by Chorley Council. This is normally 6 weeks, but because of school holidays in that period, it is taking longer. Chorley Council want to meet to go through regulatory items and appointing the Independent Examiner, who must be completely independent from Chorley Council. Would like the NP consultant to attend the meeting, but this will come with a financial cost. A proposed timeline from Chorley Council, which includes regulations 17, 18, 19 and 20. However, the referendum, where 50% or more of votes cast must be a yes, will be in June 2027 for this, taking the NP into 2028.

Mr. Richard Toon, Vice-Chair of the NP, thanked Jean for the work she has undertaken which will support Coppull in the Neighbourhood Plan for the next ten years, and this was fully supported by the Parish Council.

Mr Toon brought up the fact that the pavements in Coppull are not geared towards people in wheelchairs and asked that the Parish Council take this up with the relevant authority and this was agreed.

- 13.19 Play Area updates and reports from Chorley Council (emailed separately to Parish Councillors). Regular inspection reports (bi-monthly) undertaken by Chorley Council and an annual report from ROSPA, together with a weekly check by the Parish Council Lengthsman.

Springfield Park:

- Damage to new play area at Springfield Leisure Park – waiting for a replacement part for the broken springer/seesaw. The play area company are going to cover this. The Police cannot identify the children responsible from the CCTV but are going to take it to schools for an identification. One of the perpetrators had on a very distinctive jacket. It has been on "In the Know". One other perpetrator has very blond/light hair.
- Accumulated litter over the weekends. Very bad after a Friday evening, but the girls from the Trampoline Academy clear it all up on Saturday and Sunday mornings. The bins are all full, so it may be beneficial to have larger bins or more bins.
- Trees on the Springfield Leisure Park needing attention. Covered by a tree survey.
- Official opening of the small children's new play area Saturday 23 May 2026, Springfield Leisure Park at 2pm. Modest refreshments will be available and it will be opened by the new Mayor, Debra Platt, and her husband as consort. Debra is also a Clerk for Euxton and a Chorley Councillor.

Byron Crescent:

- Injured child on Byron Crescent Play Area. Signs were put up and photographed to prove that the play area was closed as the equipment

was deemed unsafe. A young girl was quite badly hurt climbing over the fence to retrieve her brother's ball. Paramedics attended and the Fire Brigade to cut open the gate. The brother apparently apologised to the Chairman, saying his sister should not have climbed over.

Tansley Play area:

- Trees on Tansley Recreation Area need attention. A complaint from a resident regarding a tree planted not so long ago at the back of her house and she is concerned that it will blow over into her garden as it gets bigger and it will turn into a very large tree. The Clerk is visiting the resident next week and arrange for this tree to be removed.

13.20 Village Hall update (KMc) and proposal to obtain a bookcase (MP). The Health Visitors are now in two days per week. The HV Service has been subcontracted out to a private company and they will be paying rent. They are very happy with the facilities, with babies in one room and toddlers in the other.

Cllr. Parkinson has requested a bookcase for her to start a book club. The Parish Council was happy to support this and one to be obtained as soon as possible – approximately £30-£40.

13.21 Leisure Centre & A1 Fitness update. The Leisure Centre is coming along nicely, most of the work from the report has been done. A1 Fitness needs painting from when the new plastering was done. Cllr. Atherton has volunteered to do the painting.

13.22 Allotments update:

- Quote for 25 more fence posts (£28 each = £700) and re-fitting notice board (£300). There are now 29 more fence posts needed at a cost of £812.
- Several trees are needing attention at a cost of £1700.00. This includes a very large conifer which is leaning and, although not considered an immediate danger, could cause serious damage if it did fall. This amount includes the cost of removing a dying Sycamore overhanging a resident's garden and other trees.
- Defibrillator in heated cabinet £950 plus vat. This is half the cost it would normally be; the other half being funded by London Hearts.

Adding the cost of the posts, the cost of fitting the noticeboard, the tree work and the defibrillator (£950) comes to an amount of £3,762.00. There is a 20% payment to the church of £560, to be made in December 2026, leaving an amount of £1,887.15 left in the allotment fund.

RESOLVED: That all the above quotes be approved.

13.23 Picnic in the Park Event Sunday 12 July 2026. Stalls are fully booked up with 17 needing tables and gazebos. Further tables and gazebos, as previously agreed, have been received. The banners have been altered to the second Sunday in July (invoice yet to be received). Volunteers are required for

helping to set up and for helping during the event itself. All activities have been booked well in advance. An electricity supply is needed for the front of the building for the food outlets and the band. Cllr. Armstrong to investigate this with the Chair and Cllr. Atherton. The next meeting for the committee to be held on Wednesday, 20 May 2026.

- 13.24 Jubilee Garden – consideration of installing a fence at the side of the brook (JB). The garden drops down to the culvert and fencing to make it safe would be beneficial. Cllr. Berry to ask Chorley Council if they are agreeable to providing this fence.
- 13.25 Flowerbed Sponsorship – A window cleaning company wants to sponsor a flowerbed. Rivington Nurseries did sponsor two, by providing flowers for the beds, and the Wheatsheaf sponsors the triangle by providing water and putting an advert in the newsletter four times per year. It was proposed that the bus stop shelters could be cleaned by the sponsor. The Clerk to contact him to see if this would be agreeable.
- 13.26 The Circus is coming back – 22 – 28 June 2026 – further details to follow. The Parish Council's involvement is to marshal the cars when the circus is on. The church car park was utilised last year, with the permission of Father Dunn. Letters to residents to be distributed and Father Dunn to be contacted.

14. DECISIONS MADE UNDER THE CLERK'S DELEGATED AUTHORITY (in conjunction with the Chair and Vice-Chair)

- National Elevator – Call out repair - £127.50 plus vat
- International Aid Trust – Fridge for office - £30.00

RESOLVED: That the above decision and costs be ratified by the Parish Council.

15. PLANNING (NC) – All applications can be viewed at chorley.gov.uk/planning – type in the application number in the search box.

The following recommendations from Cllr. Coggins, (the Parish Council's planning representative) have been produced following a desk study of each of the planning applications (including previous applications as required). Where appropriate, site visits have additionally been performed.

15.1 Applications:

- App.No. 26/00347/FULHH – Holt Farm, Wigan Lane – Apex glazing to garage and flat roof rear projection to rear dwelling (retrospective) and proposed glazed link between garage and dwelling. This is an application to provide a glazed walkway between the dwelling and garage and multiple large, glazed areas on a garage with gym above. Holt Farm was, historically, a listed building, before being razed to the ground (resulting in a prosecution and conviction). However, with the listed building status having been removed from the property, there are no grounds on which to object to the changes that are proposed (and indeed in most cases have already been made). **RESOLVED:** That the Parish Council decline to comment on the application or remain neutral.

- App.No. 26/00374/P3PAN – 281 Spendmore Lane – Prior approval application under Schedule 2, Part 3, Class (M(a) of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended) for the proposed change of use from Commercial, Business and Service (Use Class E) to 1 no. dwellinghouse (Use Class C3). This is an application to effectively revert a change of use and reinstate the property as a dwelling. **RESOLVED:** To support this application.
- App.No. 26/00367/CLEUD -11 New Road – Certificate of Lawful use for the existing occupation of the property by two people living as a single household but requiring 24-hour support to live in the property, for a period exceeding ten years. Taking the application at face value, the occupation has been continuous since 2014. Assuming this to be true, there is no reason to object to the application. However, Certificate of Lawful Use should be determined by fact. **RESOLVED:** That the Parish Council remain neutral.
- App.No. 26/00337/AGR – Coppull Old Hall Farm, Coppull Hall Lane – Agricultural determination for a single storey hay barn with mono pitch roof. This application has already been determined – it has been **GRANTED.**
- App.No. 26/00338/DIS – Robinson and Douglas, Spendmore Lane – Application to discharge condition 16 (BAPA) attached to planning permission 25/00916/FUL (Change of use to a local convenience store with other associated development, including changes to elevational openings of the main building, removal of smaller buildings, erection of fencing and plant, changes to access and parking arrangements and landscaping works). This is an application to discharge a planning condition relating to Network Rail access and amenities adjacent to the development site. An agreement has been entered into between Network Rail and the applicants and it is therefore a matter of fact that the condition should be discharged accordingly. No response from the Parish Council is required or expected.

15.2 **To consider** any planning applications received after publication of this agenda for which a response is required prior to the next meeting. None.

15.3 **Decisions:**

- App.No. 26/00175/FULHH – 28 Longfield Avenue – Single storey rear extension and associated internal alterations – **GRANTED.**
- App.No. 25/01093/PIP – Compound between 23-25 Wigan Lane – Permission in principle application for the erection of up to nine dwellinghouses – **REFUSED.**
- App.No. 26/00202/FULHH – 85 Longworth Avenue – Single storey rear extension and front porch (following demolition of existing conservatory) – **GRANTED.**
- App.No. 26/00160/CLPUD – 77 Hurst Brook – Application for a certificate of lawfulness for the proposed use of a dwellinghouse (Use

Class C3a) as a young person's home for a maximum of two young persons with care provided by carers on a shift basis (Use Class C3b) – **REFUSED.**

- 15.4 Complaint re the Parish Council's recommendation for App.No. 26/00151/FULHH - 16 Rivington Place, two storey side extension. The Parish Council resolved to support this. A complaint had been received from a neighbouring property (across the road), saying it would be an invasion of privacy, as it will be overlooking the lounge, first floor bedroom and master bedroom. However, Cllr. Coggins produced a very detailed explanation to rationalise his initial recommendation and this to be sent to the resident concerned. **RESOLVED:** That the original recommendation by Councillor Coggins and the decision by the Parish Council to support this application still stands.

16. HIGHWAYS - None.

17. CORRESPONDENCE / ITEMS FOR DECISION

- 17.1 New Community Interest Company (CIC) based in Coppull – requesting information on community grants, promotion, venue hire. Chorley Council (Chorley Together) can give information as requested, they will get lots of support for new businesses. The Village Hall would be available for hire dependent upon when it is required. **RESOLVED:** The Clerk to inform the company of this.
- 17.2 Plant Based Treaty – exploring stronger plant-based food options within council activities. **RESOLVED:** To inform that the Parish Council does offer plant-based food option for all events put on by the Parish Council.
- 17.3 GC Biodiversity Solutions – services for projects. Offering services, but at a very high cost. **RESOLVED:** Not to take part.
- 17.4 United Utilities – event attendance and training sessions. **RESOLVED:** To ask if they would like to come to the Picnic in the Park event, but would need to bring their own gazebo and table.

(all the above under correspondence emailed to Parish Councillors)

18. ITEMS FOR INFORMATION / FUTURE DISCUSSION

- United Utilities are updating water the water pipes on Regent Street, starting on 18 May for a period of up to three weeks. It has been put on Social Media by UU and it will be put on the Parish Council's Facebook page. Noted.
- A further email received regarding speeding on Mill Lane. Cllr. Berry to take this up with the resident concerned, who is subject to a vexatious policy from the Parish Council.

The Chairman closed the meeting at 9.00 pm.

.....
Councillor Ken McCrea
Chair of Coppull Parish Council
