Coppull Neighbourhood Plan Community Survey

Coppull Neighbourhood Plan Community Survey

If you need this information in a different format such as larger print or translation, please get in touch with Coppull Parish Council on 01257 470 120

Coppull Parish Council are collecting residents' views to formulate and inform a Neighbourhood Plan

This is your opportunity to have a say in the future of your village. The steering group would be grateful if you could find 10/15 minutes to fill in the survey.

Neighbourhood planning is a new way for communities to influence planning decisions in the local area.

A neighbourhood plan cannot prevent new housing being built but can have a say in where it's built, what types of houses, how they are laid out, as well as other important features such as retaining green spaces and having good, safe access. It cannot reduce the number of houses decided in the Local Plan.

The Neighbourhood Plan may not be able to address some of the issues raised in this survey but other interested parties such as Chorley Council may use the information to inform or address local concerns.

We welcome as many responses as possible so if any other members of your household would like to fill in the survey please follow the link on facebook or pick up additional paper copies from the Library or the Parish Council Clerk at the Leisure Centre.

If you would like to join the Steering Group and help to make the Neighbourhood Plan a reality please contact the Parish Council Clerk Sue Edwards at the number above.

The survey will also be available online from 28.3.22 until 28.5.22

1. How long have you lived in Coppull?

2. What is your Postcode? This will help us identify specific issues in the village

3. What is your age?

☐ 11 - 15

☐ 31 - 44

☐ 16 - 19

☐ 45 - 67

☐ 20 - 30
